## EFPIA Disclosure Code 2018 Self-Certification Scheme

Healthcare professionals (HCPs) and healthcare organisations (HCOs) with whom A. Menarini Industrie Farmaceutiche Riunite S.r.l. works provide the Pharmaceutical Industry with valuable, independent and expert knowledge derived from their clinical and management experience. As owners of scientific knowledge and experts in medicinal products, pharmaceutical companies can be a unique resource to the healthcare systems and providers, which will ultimately benefit the patients.

Throughout the medicines life cycle pharmaceutical companies work with scientists and HCPs. These collaborations are essential in addressing patient needs. Industry and HCPs collaborate in a range of activities from clinical research to sharing best clinical practice and exchanging information on how new medicines fit into the patient pathway.

EFPIA and its member associations have adopted codes and guidelines to ensure that the interactions of their member companies with HCPs and HCOs meet the high standards of integrity and transparency. Building greater transparency to the relationships between pharmaceutical companies and HCPs/HCOs aims to building understanding of the collaboration and recognition of its value to patient care.

Except in countries where disclosure is prescribed by laws, A. Menarini Industrie Farmaceutiche Riunite S.r.l. hereby confirms that its disclosures of transfers of value (ToVs) to HCPs and HCOs made in 2017 have been reported in application of the EFPIA Disclosure Code following key principles:
